

Graphic Design Intern

Job Description

Rev1 Ventures is a seed-stage venture development organization that combines investment capital and strategic services to help entrepreneurs build products people want and companies that succeed. In fact, we're the first and only organization in the region that provides this unique blend of services, connections, and funding to help entrepreneurs increase their probability of success.

Rev1 is looking for a Graphic Design Intern to join the Marketing and Communications team to help enhance the visual communication of Rev1's messaging in the form of presentations and digital marketing materials. The ideal candidate has strong visualization skills and is comfortable working within dynamic multidisciplinary teams.

Responsibilities

Working within the framework of the Rev1 brand to assist in creating communication vehicles that help relay Rev1's vision for the Central Ohio community. This includes working on projects such as community reports, presentations, and one-page informational documents

Requirements

- Is well-versed in creative communication tools including Adobe Creative Suite (InDesign, Illustrator and Photoshop)
- Portfolio that showcases a strong sense of design with the use of elements such as color and typography
- Proficiency in using presentation software including MS Office (PowerPoint, Excel, Word) and Keynote.
- Is currently enrolled in an undergraduate visual design program
- Must be a team player and a self-starter with the ability to multi-task in a highly energetic, fast-paced environment
